  Calicut University
  Grace Valley College of Arts and Science
  05/2020 - 05/2023   Malappuram, Kerala

About Me

I am a dedicated and skilled MERN Stack Developer, specializing in creating dynamic and responsive web applications. With a strong foundation in MongoDB, Express.js, React, and Node.js, I am passionate about delivering high-quality, user-centric solutions. I am a BCA graduate and an IT professional, continuously seeking to enhance my skills and contribute to innovative projects in the tech industry.

EXPERIENCE

- **Mern Stack Internship**
  Luminar Technolab
  07/2023 - 01/2024   Kochi, Kerala

- Contributed to the development of scalable web applications, ensuring optimal performance and user satisfaction..
- Implemented responsive design principles and optimized front-end performance using React, ensuring a smooth and interactive user experience across various devices and platforms.
